

**LONGBOAT KEY GARDEN CLUB
2021 GRANT APPLICATION**

Please type your responses and email your completed application to grants@lbkgardenclub.com by March 31st. Notification of grant awards will be emailed by the end of April.

Applications will be evaluated based on the purpose of the grant, how well the grant request meets the LBKGC goals, and the quality of the completed application. Only grant requests from 501(c)(3) tax exempt organizations will be considered. Previous grant recipients must provide an annual report by March 15th describing how the grant was used in order to be considered for additional funding.

Name of organization:

Date:

Please answer the following questions about your grant request. Feel free to use as much space as needed to accurately answer the questions.

- Briefly describe the overall purpose of your organization.
- Describe the project for which the grant is requested and what the funds will be used for. Include who the project benefits as well as the expected outcome.
- Is this a multi-year project? If so, please describe. Indicate N/A if not applicable.
- Does your grant require additional funding from other sources; if so, please list other sources of funding and the total amount needed.

Longboat Key Garden Club Goals: Briefly describe how your project relates to the LBKGC goals. Indicate N/A if the goal is not applicable.

1. To stimulate the knowledge and love of gardening and to teach the special art of gardening on LBK
2. To preserve the natural beauty of Longboat Key and surrounding areas and to further enhance its' beautification
3. To encourage the preservation of our wildlife, birds, beaches and purity of waterways
4. To look at wider environmental concerns and to stimulate this learning in our youth
5. To encourage a wider awareness of our many philanthropic activities and actively involve more members
